04/01/2021

Dear Parishioners,

As you may have already heard, the First Minister announced today a return to national lockdown similar to the one we experienced back in March. This is how this will affect us a parish,

1. **From Friday** churches must close. There must be no public Masses, devotions, etc., and churches must not be left open for private prayer.
2. Funerals and weddings can still go ahead in church. Only 20 may be at a funeral and only 5 at a wedding (i.e. the priest, couple, and two witnesses).
3. Sick calls to hospitals and care homes will depend on the institution; sick calls to private homes can go ahead in danger of death with all appropriate precautions in place.
4. Confessions can still be heard outdoors, since two people from two households are still allowed to meet outside.

These restrictions are due to last at least until the end of January, but may be extended.

You can read the First minister's statement here <https://www.gov.scot/publications/coronavirus-covid-19-update-first-ministers-statement-monday-4-january-2021/>

Consequently, as from this Weekend, the Holy Mass can be accessed online on Sundays at 9am. Weekday Masses (Monday-Friday) 10am. Please visit our parish website www.ccolops.co.uk and click on the link "Our Mass", or our YouTube and Facebook pages

<https://www.facebook.com/CCPCandOLOPS/>

https://www.youtube.com/channel/UCgaHfi2eRoNfN5fph_EswTw

We will keep you up to date if anything changes.

Let us continue to keep each other in our prayers as always.

Be safe and remain blessed.

Fr. Benneth
