The St Nicholas Care Fund has operated throughout the covid19 lockdown, offering small grants to a wide range of community groups, small charities, schools and churches. The grants we have awarded throughout this period have focused on some of the challenges people have faced during lockdown.

Now that schools, churches and communities have re-opened and are beginning to plan for future events it seems a good time to update the Parishes on our work. The Care Fund has re-instated quarterly deadlines for applications – the next deadline is Monday 8 August and then Monday 7 November. Our Fund aims to provide grant support to community groups, schools, churches and small

charities that are addressing the problems faced by vulnerable individuals and groups: relieving poverty and hardship. Potential applicants can telephone the St Nicholas Care Fund directly on 0141 226 5898, e-mail at pct@rcag.org.uk or go to our website at www.rcag.org.uk for more information and application forms etc.
